

# LIFE DRAWING CLASSES

## LIFE DRAWING WITH MODEL

Wednesday 10am - 1pm  
held on the first Wed of each month

Red Poles will supply the art gallery space and the model but there will be no life drawing teacher. Cost will be \$15 to attend and Red Poles is happy to supply the easels and some cartridge paper. The group can share ideas and discuss the poses they would like to draw – great for all levels and advice will always be at hand. Please ring if you are interested in joining any of the classes.
